Explore in-cab safety that is protecting drivers and saving lives!

Featured Guest Speaker: Chet Butler from Autoliv

Join fellow MTA members for a straight-talk discussion on the evolution of in-cab crash safety and what it means for driver protection. We'll cover advancements in cab design, seat belts, airbags, collision protection, emerging safety technologies, and how these improvements are helping reduce injuries and keep drivers safer behind the wheel—with practical insights you can take back to your fleet.

WE MEET ONCE A MONTH ON THE 2nd TUESDAY | WE ARE ACCEPTING NEW MEMBERS
